1. Define Your Scope:

List the specific areas your plan will cover, such as:

- Courses: What classes will be offered?
- Faculty: Which instructors will teach?
- Campus: Where will classes be held?
- Facilities: What rooms and resources will be needed?

2. Identify Limitations:

- Streamlined processes
- Efficient resource allocation
- Real-time data insights

3. Create Options:

- Develop several possible plans.
- Weigh the pros and cons of each.

4. Choose the Best Plan:

- Select the plan that fits your goals.
- Consider potential risks before deciding.

Simplify Your Planning Process
